

# Canada Greener Homes Grant

The Canada Green Homes Grant has been established to help homeowners make their homes more energy-efficient in an effort to help fight climate change.

LG Electronics Canada is proud to supply a range of LG Air Conditioner and Heat Pump products that have been qualified by the Canadian Federal Government to meet the strict energy efficiency requirements of the Canada Greener Homes Grant. Read on for more information.

HOMES  
GRANT

## What's available through the initiative?

**Select LG Heat Pumps are eligible for up to \$5000\* in government grants!**

\*Select LG Air Source Heat Pumps qualify for the Greener Homes Program by the Government of Canada. Homeowners may seek reimbursement for up to a total of \$2500, \$4000 or \$5000 for eligible retrofits completed after December 1, 2020 and up to \$600 for the cost of pre- and post-retrofit EnerGuide evaluations completed after December 1, 2020. Eligibility requirements and terms and conditions apply+.

Up to **\$2500** or **\$5,000** total for the implementation of eligible retrofits done after December 1, 2020.

EnerGuide evaluations (worth up to **\$600**) and **expert advice** to homeowners so they can begin to **plan their retrofits**
